You may select "Accept" to accept these terms of use, or select "Manage" for more information. Some helpful improvements might be putting the English language right at the top of the list since English is the most commonly used instead of having to scroll alphabetically through many languages to find it. This means if you have twitter, facebook or instagram you can easily share these prayers and images with our loved ones. The dramatized bible has good and soothing background music and different voices which makes the bible come alive to you. The app is also Bible offline because even if you don't have internet you can use the offline King James part without internet. This is an audio Bible that you can listen to different Bible versions at your own time. I would buy it. Also big request when I go to listen to the english - KJV - audio there are alot of steps to get to it, is there a way that I can just open app and click on one I listen to instead of having to search for it in the bar everytime? This can be used together with your study Bible tools. There is a music panel in the app that helps you to access the audio player controls so easily. The Audio Bible is available to anyone with access to the internet. It's produced by Museum of the Bible and is heard on Bible Gateway and more than 800 radio outlets. Sproul shows there are many solid reasons to trust the Bible and affirms a high view of Scripture. That it is inspired of God and therefore inerrant and infallible. With this bookmark feature you will not forget your favorite verses as they will be in the app. Highlights Highlighting allows you to return to some verses you have already read. Revealing and insightful, this is the Jesus story in a concise, single narrative. Praise be to God. Looking for a simple bible on audio to listen to, then pass on this one. C. Walk through the Bible with your children in this action-packed, radio theatre-style dramatization The 1599 Geneva Bible. For the audio you need the Internet to be able to listen to it and you can choose to download it for offline use. 5. Daily Bible Reemery Day You have a daily Bible reading sent to you. As long as you have an iPhone or iPad with current iOS, you should be able to use this Audio Bible APPLICATION. The Audio Bible comes with the most popular of English language translations, such as King James Bible Audio, KJV Audio Dramatized, Spanish Bible Audio, French Audio Bible, Portuguese Audio Bible and many other versions. In the panel, you can choose to download the audio Bible file for off-line use or simply stream it if you constantly have internet. The new international version of the Bible is today the most popular modern English translation. This digital download of the NIV New Testament audio Bible brings the Bible to life with this true-text dramatization of the New Testament. The fully orchestrated background enriches the text reading and enhances the overall experience. Delivered digitally from beginning to end, this audio Bible offers an inspiring and uplifting encounter with God's word. Also, if you have 8 different English options, please number them and label the menu what they are. is part of the 10-volume series of crucial questions, available in audio and print. Learn more Developer Site App Support Privacy Policy This is the Go to Audio Bible version for you. There is also the King James dramatized version, Twi version, sheep and others that is very convenient. Although it can be good, once you get where you want to be, it takes a long time to get there. The developer, Allan Dziwormu, has indicated that the application's privacy practices may include data handling as described below.
